

CLEAN GREEN[®]

GREENER MEANS BETTER

Is Your Linen Provider Clean Green Certified?

Verified Sustainability

Earned through independent, third-party audits, Clean Green certification confirms a facility's commitment to:

- » Water and energy conservation
- » Sustainable best practices
- » Environmental responsibility you can trust

Show Your Commitment to a Greener Future

Partnering with a Clean Green certified laundry means you're making responsible, sustainable choices:

- » Choosing reusable textiles over disposables
- » Reducing water, energy and fuel usage
- » Reusing rinse water to conserve resources
- » Supporting textile recycling initiatives

***Sustainability starts
with every cycle***
